SUBJECT: Filing of Notice of Determination in compliance with §21108 or §21152 of the Public Resources Code.

Proposed Amendments to Regulation XIII - New Source Review
Project Title

2000081048	Karen K. Nowk, Deputy District Counsel	(661) 723-8070
State Clearinghouse Number	Lead Agency Contact Person	Area Code/Telephone/Extension

Project Location

Antelope Valley Air Pollution Control District. Mojave Desert Air Basin portion of Los Angeles County.

Project Description:

The proposed amendments to Regulation XIII - New Source Review reorganize the regulation for ease of use and amend certain provisions to reflect the AVAPCD's nonattainment designation of Severe-17 for Ozone. In general, the New Source Review regulation requires the AVAPCD to review all new or modified stationary sources of air pollution for compliance with air district rules and regulations as well as to require offsetting emissions reductions for those new or modified sources which emit air pollution in amounts greater than certain threshold amounts.

This is to advise that the Antelope Valley Air Pollution Control District has approved the above described project on 03/20/2001 and has made the following determinations regarding the above described project:

1. The project will not have a significant effect on the environment.
2. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were not made a condition of the approval of the project.
4. A statement of Overriding Considerations was not adopted for this project.
